

UNIVERSITY OF
CAMBRIDGE

Print, copy and scan

You'll need some **print credits** to use the University's multi-function devices (MFDs)

Choose a local MFD, send your file(s) to its **FindMe print queue**, then tap your University Card on the printer to release your print job

Web Print

The easiest way to print A4 greyscale files is using the Web Print portal

WEB PRINT

- Nothing to install
- Print from any device
- A4 double-sided greyscale prints

Install Print Deploy

To use all the features on the MFD, you'll need to install the software

PRINTING

- A4 and A3 colour
- Single-sided and duplex
- Collating and stapling
- Scan to print or email
- Copying
