

Accelerate Research with Google Cloud

a free workshop

WEDS 22 MARCH | 09:30–13:30
West Hub, East Room 1 or join online

Get a taste of how Cloud and Google can help you deliver your research faster and more easily. There will be examples from Healthcare, GIS, Economics, Humanities and Social studies, as well as the use of Jupyter notebooks online and the use of AI.

University Information Services and Google
